

LinkUp Project Application for Material Processors

I. APPLICANT INFORMATION

Project Contact Name/Title: _____ Date: _____

Company Name: _____

Address: _____ City: _____ ZIP: _____

Phone: _____ Fax: _____ E-mail address: _____

How did you first hear about the LinkUp program?

☐ Article in a newspaper/newsletter ☐ Advertisement ☐ Meeting or workshop ☐ Web site ☐ Colleague

☐ Other (please describe): _____

Material type(s) used in your manufacturing process: ☐ Paper ☐ Glass ☐ Wood ☐ Organics (e.g., food) ☐ Plastics

☐ Textiles ☐ Other (please specify): _____

II. SUPPORT SERVICES

Select the primary type(s) of support you would like to receive from the LinkUp program.

- ☐ Evaluation of markets for recycled materials
☐ Information on financial incentive programs
☐ Engineering services
☐ Information on sources of recycled material feedstock
☐ Promotional support

III. MATERIAL INFORMATION

What is the current processing volume and material type processed at your facility? If more than just one material is processed at your facility, provide the same information for each material.

Material Type No. 1 _____ Average vol./month _____

What is your total processing capacity for this material? _____ (vol./month)

Material Type No. 2 _____ Average vol./month _____

What is your total processing capacity for this material? _____ (vol./month)

Material Type No. 3 _____ Average vol./month _____

What is your total processing capacity for this material? _____ (vol./month)

IV. INVESTMENT POTENTIAL

If your project requires you to invest financial resources to achieve your business goals, will you be willing to invest in the following?
(Please check all that apply.)

☐ New equipment ☐ Staff training ☐ Increase in material costs ☐ Advertising

☐ Other (please describe): _____

V. LINKUP PROJECT DESCRIPTION

Describe the project for which you would like to be considered for selection in the LinkUp program. Include a discussion of your processing equipment, staff who will lead your project team, and the level of effort you anticipate from your staff. Use additional sheets, if necessary.

VI. LINKUP TEAM INVOLVEMENT

Please describe how the LinkUp team can support your project. What roles and responsibilities would you assign to the LinkUp team? Use additional sheets, if necessary.

VII. MARKETING RECYCLED MATERIALS

If you use industrial scrap or recycled materials (pre- or post-consumer) in your process, do you promote the use of recycled materials in your product marketing efforts?

☐ Yes

☐ No

If you answered no, why not? _____
